

# **ULM Degree Program Assessment**

**(SLPM) MS - Speech-Language Pathology - 2010-2011**

**Explanation** of changes made based on the results and analysis of the 2009-2010 cycle of assessment:

Regarding objective 3b, the time period will be specified as "during their final semester in clinic (SPLP576)." This objective is more easily measured as it refers to a specific timeframe, and one that occurs at the end of the on campus clinical practicum.

1 \_\_\_\_\_

## **Student Learning Outcome:**

(1) The student will demonstrate advanced knowledge of (a) the basic human

(2b) Alumni will complete an Alumni Survey indicating whether or not the academic program provided them with the knowledge and skills necessary to perform as a professional Speech-Language Pathologist.

(2c) Employers will complete an Employer Survey of the employees knowledge and skills appropriate for the work setting (e.g., hospitals, schools)

**Target:**

2a) During the internship experience, 80% of the students will receive a score of 3.75/4.0 or higher, in all areas, on a scale of clinical proficiency as completed by their externship

students will demonstrate adequate written language skills as demonstrated by a grade of B o
